Writers: Cahn/Van Heusen

Next time your found, with your chin on the ground  
There a lot to be learned, so look around

Just what makes that little old ant  
Think he'll move that rubber tree plant  
Anyone knows an ant, can't  
Move a rubber tree plant

But he's got high hopes, he's got high hopes  
He's got high apple pie, in the sky hopes

So any time your gettin' low  
'stead of lettin' go  
Just remember that ant  
Oops there goes another rubber tree plant

When troubles call, and your back's to the wall  
There a lot to be learned, that wall could fall

Once there was a silly old ram  
Thought he'd punch a hole in a dam  
No one could make that ram, scam  
He kept buttin' that dam

'Cause he had high hopes, he had high hopes  
He had high apple pie, in the sky hopes

So any time your feelin' bad  
'stead of feelin' sad  
Just remember that ram  
Oops there goes a billion kilowatt dam

All problems just a toy balloon  
They'll be bursted soon  
They're just bound to go pop  
Oops there goes another problem kerplop
