I'll only miss her, when I think of her  
And I'll think of her, all the time  
Likely I'll spend my days - hearing her turn of phrase  
Things I found hard to praise - right now, would seem  
sublime

The truth is...

I'll Only miss her, when some stranger laughs  
'Cause it's still her laugh - my hearts hears  
Maybe in time - I guess, the longing will grow, the  
slightest bit less  
And there will be moments - yes - when it disappears

I'll bet I'll forget her completely - in about a hundred  
years
