Each place I go only the lonely go  
Some little small caf  
The songs I know only the lonely know  
Each melody recalls a love that used to be  
The dreams I dream only the lonely dream  
Of lips as warm as May  
That hopeless scheme only the lonely scheme  
That soon somewhere you'll find the one that used to  
care  
And you recall each fun time  
Those picnics at the beach when love was new  
It well could be the one time  
A hopeless little dream like that comes true  
If you find love hang on to each caress  
And never let love go  
For when it's gone you'll know the loneliness  
The heartbreak only the lonely know
