Out of the tree of life, I just picked me a plumb  
You came along and everything started to hum  
Still it's a real good bet, the best is yet to come  
The best is yet to come, and won't that be fine  
You think you've seen the sun, but you ain't seen it  
shine  
Wait till the warm-up is underway  
Wait till our lips have met  
Wait till you see that sunshine day  
You ain't seen nothin' yet  
The best is yet to come, and won't that be fine  
The best is yet to come, come the day that your mine  
Come the day that your mine  
I'm gonna teach you to fly  
We've only tasted the wine  
We're gonna drain that cup dry  
Wait till your charms are right, for the arms to surround  
You think you've flown before, but you ain't left the  
ground  
Wait till you're locked in my embrace  
Wait till I hold you near  
Wait till you see that sunshine place  
There ain't nothin' like it here  
The best is yet to come, and won't that be fine  
The best is yet to come, come the day that your mine
