You make me feel so young
You make me feel like spring has sprung
Every time I see you grin
I'm such a happy individual

The moment that you speak
I want to go and play hide-and-seek
I want to go and bounce the moon
Just like a toy balloon

You and I, are just like a couple of tots
Running across the meadow
Picking up lots of forget-me-nots

You make me feel so young
You make me feel there are songs to be sung
Bells to be rung, and a wonderful fling to be flung

And even when I'm old and gray
I'm gonna feel the way I do today
'Cause you make me feel so young
