I'm standing on the edge  
the edge of sanity  
all I feel is emptiness  
my mind will never  
mourn in peace

After all the tears  
through all the years  
I'm still by your side  
in the land we cry  
after all the FIGHTS  
beyond the lies  
when you want the best  
if only I could have guessed

I must admire  
my mind today  
I must admire  
I must...  
???  
???

You will never understand  
my pain my suffering  
if only you could feel  
what your hate does to me  
my will to LIVE is weaker every day  
soon the angels will arrive  
to close my eyes  
And now the time has come  
for me to face the end of my misery  
???  
ANGEL of mercy carry me away  
I cry through the pain  
you name it sadness  
you cannot explain  
the sign of ???  
I TRIED so far to change  
I TRIED to realize  
??? I know  
???

All life must die  
my life still change  
or stop today  
all my dreams are lost
