A scream, a shout far in the distance  
Maybe the first or second floor  
And curtains coloring the windows  
Never see behind closed doors

A silent siege behind politeness  
Domestic harmony for show  
Lost in the mirage of a marriage  
Outside a world, she'll never know

And as I see through the real you  
I'm falling straight into  
A thousand broken mirrors I can't hide

And outside the bright lights  
Can't hide the pain inside  
And I've broken a thousand mirrors

Now it's time  
Now it's time  
Now it's time

Loving her children with a passion  
Protecting them at any cost  
Taking the only course of action  
There's no more bridges left to cross

Who are the ones who are the guilty?  
Who are the ones who wear the scars?  
We must not leave our sisters bleeding  
We sing this song for Tsoora Shah

And as I see through the real you  
I'm falling straight into  
A thousand broken mirrors I can't hide

And outside the bright lights  
Won't hide the pain inside  
And I've broken a thousand mirrors

Now it's time

Now it's time  
Now it's time

And as I see through the real you  
I'm falling straight into  
A thousand broken mirrors I can't hide

And outside the bright lights  
Won't hide the pain inside  
And I've broken a thousand mirrors

Now it's time  
Now it's time  
Now it's time
