Flying saucers could land  
And it wouldn't make much difference to my man  
I could walk aboard and thank the lord  
And leave this damn town in seconds flat  
Check my bags and never come back  
[Chorus:]  
Oh, our love is  
Like a fuse that's burned out  
Oh, our love is  
Like a fuse that's burned out  
Oh, i've been unkind  
Not like you  
Ain't i ashamed  
Being misused  
[Chorus]  
I liked your chevy duster  
I liked your brand new trailer  
I liked your colour tv  
But you looked at that colour tv  
More than me  
More than me  
[Chorus]
