Verse:

The sun beats down the day goes on, time and
distance glad I'm gone
It's hard for me to see you every day, when I
can't have you there's just no way

Verse:

So goodbye baby I'm on my way back home, on the
highway listening to the Stones
You won't argue you won't ever say don't
go, there's no regrets or none that you will show to
me

Chorus:

Lady, Lady made of stone
Lady, Lady made of stone
You know you love me you just won't let it show
Except in the darkness Lady made of stone

Verse:

I close my eyes whispering a name; hate myself for
feeling any pain
My phone's in my pocket and there's nothing
nobody's called
Rain's coming down I find myself hard against a
wall

Chorus:

Lady, Lady made of stone
Lady, Lady made of stone
You know you love me you just won't let it show
Except in the darkness Lady made of stone

Bridge;

All I can do is fall I can't make this alone
I'll find a way to break down your walls

Chorus/extended chorus

Lady, Lady made of stone
Lady, Lady made of stone
Lady, lady made of stone
Didn't I serve you well didn't I treat you good

Didn't I give it all like they said I should
Didn't I pray for faith didn't I trust in hope
Didn't I keep your heart with every word that I spoke
Lady made of stone
