Yo man yo yo
Fuck Cinderella, fuck Bon Jovi and motherfuck Prince,
man
This is rap
We've got something for all in rap (that lives around
(?)
We've got something
Yeah, check this shit out

No more rock N roll
No more fucking rock N roll

That's right y'all
I'm a hell of a man
I walk down the street and I heard you say damn
I wanna be like Schoolly to
I make rap records and I say fuck you
Still homeboy I get respect
You can tell by the gold chain around my neck
You know whenever, ver?
Because I carry a gun by my side
Always got fly (?) in my ride
Sometimes oh yes I do get high
(?)
On the microphone I want rap
Fucking rollers step fuck back

No more rock N roll
No more fucking rock N roll

Long haired freak get back on you bus/butts
Me and Code Money we're comming to rush
Rock N Roller, we've taking over
Stand on stage... and...
You faggots get out of my face
I punch you out man what a disgrace
My name's Schoolly D on the microphone

No more rock N roll
No more fucking rock N roll
