My name is...

Shaka Zula, the mic rulah, the old schoolah

You wanna trip, I'll bring it to ya

Frylock and I'm on top

Rock you like a cop

Meatwad you're up next

With your knock-knock

Meatwad make the money see

Meatwad get the honies G

Drivin in my car, livin' like a star

Ice on my fingers and my toes

And I'm a Taurus

Ha ha, check it, uh, check-check it, yeah

Cause we are tha Aqua Teens

Make the homies say ho and the girlies wanna scream

Cause we are tha Aqua Teens

Make the homies say ho and the girlies wanna scream

Yeah

Aqua Teen Hunger Force

Number one in the hood, G
