Verse1

A few more days will be home glory
Already they'll be getting out the flags
With men faced high motive down touring
But still I only see a lot of snags

Bridge

But just because I triumphed as a slava
(oohh yeah)
Brought beauty back to Egypt by the ton
(oohh yeah)
Of this and every month now I'm the flava
(oohh yeah)
Been scheduled to do things I've never done

Chorus

And why should I tell you this
A stranger I just met
A woman who in hours from now I'll certainly forget
Anonymous and undemanding
Enchantment Passing Through
My secrets and my confidence
Are safe enough with you

Verse 2

My days out in the field are all but ended
They'll put me out to grass which means a throne
Protected with jewels along side my intended
I feel as if my heart is setting strong

Bridge

Chorus 2x
