[Foxy Brown]

See right here?

This is the official ladies anthem

Ladies, I want you to put your drinks down

Pull your thongs up

And grab the thugest on the dance floor

Uh huh and shake your...

Ooh that dress so scandalous

And you know another nigga couldn't handle it

See you shaking that thing like who's da ish

With a look in your eye so devilish

Uh ya like to dance at all the hip-hop spots

Then you cruise through the crews like connect the dots

Not just urban, she likes the pop

Cause she was living la vida loca

1 - She had dumps like a truck, truck, truck

Thighs like what? What? What?

Baby, move your butt, butt, butt

I think I'll sing it again

She had dumps like a truck, truck, truck

Thighs like what? What? What?

All night long

Let me see that thong

2 - Love it when the beat go

(Dut dun, dut dun)

When you make your booty go

(Dut dun, dut dun)

Girl I know you wanna show

(Dut dun, dut dun)

That thong, thong, thong, thong

I like it when the beat go

(Dut dun, dut dun)

Baby make your booty go

(Dut dun, dut dun)

Girl I know you wanna show

(Dut dun, dut dun)
That thong, thong, thong, thong

Listen, that girl so scandalous
And I know another nigga couldn't handle it
And she's shaking that thing like who's the ish
With a look in her eyes so devilish
She like to dance on the hip-hop spots
And She cruise through the crews like connect da dots
Not just urban she likes her pop
Cause she was living la vida loca

1 - She had dumps like a truck, truck, truck
Thighs like what? What? What?
Baby, move your butt, butt, butt
I think I'll sing it again
