\$i\$go

Last night we had an argument  
Afterwards i'm feelin' pretty bent  
Then I took a drink, and I didn't think  
What was in store for me  
You didn't know, how she'll take it  
Will she cherish your heart  
Will she break it  
You are everything  
And everything is you

(Chorus)

You are everything  
And everything is you  
You are everything  
And everything is you  
You are everything  
And everything is you

Baby tell me are you playin' me  
When you're lovin' me  
When you're holdin' me  
And when you're f\*\*\*ing me  
Are you playin' me, are you playin' me  
You are everything to me  
I'm wonderin' if you will see  
That I will love you always

(Chorus) You are everythingx4

(Ja Rule)

Baby girl you tellin' lies  
Cause when I looked you in your face  
I can see i'm on your mind  
And it don't matta what other h\*\*s may say  
I know your love is blind, for me  
Every b\*\*\*h needs a thug n\*\*\*a in their life, truly  
Could it be you enjoying f\*\*\*\*\*g you  
While you be lovin' me, trick and destroy us mentally  
That's why they freak wit me frequently

Love is life

(Nokio)

Naw n\*\*\*a life is love

take the baddest b\*\*\*h ice her up

After the tour tell her keep in touch(N\*\*\*a dats what's up)

Being Nokio's a bit much
