This is the foundation
The foundation that made me
These are my niggas
I guess this is one way to make the world sing
See this thing, this thing is inseparable
We about to do something
We about to make history
Haters can't stop this
We have love from our fans
New people who wasn't even dealing with us
But I guess you know now
I hope you know now
There's a Dru World Order

The Dru World Order has begun
