[Sisqo]  
Hold up  
(Whoa...)  
So what you're saying is...  
(Niggas got me pissed like Lil' Kim so...)  
You want me to get freaky again?  
Alright  
(The dragon)  
Ah-oo-ah-oo-ah  
Oh... oh (oh)...oh (oh)... Ooh (ooh)  
Oh ah oh

[Lil' Kim]  
I been a lotta places  
Seen a lotta faces  
Ah hell, I even fucked with different races  
A white dude  
His name was John  
He had a Queen Bee Rules tattoo on his arm  
He asked me if I'd be his date for the prom  
And he'd buy me a horse a Porsche and a farm

Dan, my nigga  
From down south  
He used to like me to spank him and cum in his mouth  
(Aooow!)  
And Tony, he was Italian  
He didn't give a fuck  
That's what I liked about him  
(Uh huh)  
He ate my pussy from dark till the mornin  
Called his girl up and told her we was bonin  
Puerto Rican papi used to be a deacon  
But now he be suckin me off on the weekend  
And this black dude I called King Kong  
He had a big ass dick and a hurricane tongue

[Sisqo]  
How many licks does it take till ya get to the center of  
the...  
(I've got to know)

How many licks does it take till ya get to the center of  
the...  
(Tell me...)  
How many licks does it take till ya get to the center of  
the...  
Oh Oh  
How many licks does it take till ya get to the center of  
the...  
Oooh oooh aw ah oh

[Lil' Kim]  
This verse goes out to my niggas in jail  
Beatin they dicks to the double X-L  
(Uh huh)  
Magazine  
You like how I look in the aqua green?  
Get your vaseline  
Grow some weave with some tissue and close your  
eyes  
And imagine your tongue in between my thighs  
(Moans)  
Open up  
Lick it up  
Cell block eight  
(Moaning)  
Alright nigga that's enough  
Stop look and listen  
Get back to your position

Kim got your dick hard  
Start fights in the yard  
(Uh)  
Hotter than a Pop-Tart fresh outta the toaster  
Niggas do anything for a Lil Kim poster  
Eses, Bloods, Crips all the thugs  
Up north in the hole  
They all wanna know

[Sisqo]  
(How...)  
How many licks does it take till ya get to the center of  
the...  
(Tell me)  
How many licks does it take till ya get to the center of  
the...  
(Tell me how...)  
How many licks does it take till ya get to the center of  
the...  
Oh Oh  
How many licks does it take till ya get to the center of  
the...

Oooh oooh aw ah oh

[Lil' Kim]

If you drivin in the street

Hold onto your seat

Niggas grab your meat while I ride the beat

And if you see a shiny black Lamborghini fly by ya

(Pshewww...)

That's me the Night Rida

Dressed in all black with the gat in the lap

Lunatics in the street

Gotta keep the heat

Sixty on the bezel

A hundred on the rings

Sittin pretty baby with a Cash Money bling

12 AM I'm on my way to the club

After 3 bottles I'll be ready to fuck

Some niggas even put me on they grocery list

Right next to the whip cream and box of chocolates

Designer pussy

My shit come in flavors

High class taste, niggas got to spend paper

Lick it right the first time or you got to do it over

Like it's a rehearsal for a Tootsie commercial
