A nigga just got paid
It's friday night
All my homies in the party and we doin' it right
'cause my people came to party till the early light
And then it begins
Niggaz all up in my face
And then it begins
Playa playa no time to waste
And then it begins
Playa playa put his hands on my waist
And then it begins
So i look him straight dead in the face
And said uh

You don't know me
You don't really know me
You say i'm sexy
But you really wanna sex me
Would you like to see me on my back
Would you like to see me lick ya neck
Would you like to see me soakin' wet
Would you like to hit it from the back
Would you like it if i made you mine
You could do it to me all the time
Would you like if it wuz only sex
I don't think you're ready for me yet

My name is buttah baby serenade
Bomb jiggy jiggy and you call her miss thang
Take your eyes off my tities
'cause you know i got dumps
And you know that it's buttah baby
Best believe it
And then it begins
Playa playa pulled out the knot
And then it begins
Playa playa tried to blow up my spot
And then it begins
Playa playa wanna see what i got
And then it begins
You can get the money but you can't get the twat

Because i

You don't know me
You don't really know me
You say i'm sexy
But you really wanna sex me
Would you like to see me on my back
Would you like to see me lick ya neck
Would you like to see me soakin' wet
Would you like to hit it from the back
Would you like it if i made you mine
You could do it to me all the time
Would you like if it wuz only sex
I don't think you're ready for me yet
