1 - You're love is incredible
You can say it's unforgettable
Can't believe it's getting sexual
Cause you're love is incredible, incredible
Said you're love is incredible
You can say it's unforgettable
Can we make it more than sexual?
Cause you're love is incredible, incredible, incredible

I'm thinking about the things that you did to me
Imagining your body moving like a centipede
I want you to know that I'm ready to be
All over you body, baby you got all I need
I like the way you got the softest lips
Alright, sensuated by the way you kiss me
Oh girl I'm telling you with you is where I want to be
You know you got me crazy
Cause your love?
