Alright  
Aha  
Juice Crew  
Christmas time  
We gon' do a real Christmas song  
( \*Marley Marl in the background\* )

Go for it, Kane

[ VERSE 1: Big Daddy Kane ]  
Jingle bell, jingle bell rock with hip-hop  
Hmmm... look what we got  
Here, yeah, I definitely can relate  
One heck of a Christmas present for '88  
As I flow, and let it go  
So fresh, like Santa, you'll have to say "Ho, ho, ho"  
So girls and boys, let's make some noise  
Give thanks for joys and all goodies and toys  
For Christmas, yes oh gee, this must  
Be the greatest holiday treat, so people just bust  
How I celebrate as we elevate  
Big Daddy Kane is on the mic and I'ma tell a great  
Christmas line for your delight  
That's Merry Christmas to all and to all a good night

[ Fly Ty ]  
Nah, nah, nah  
ShantÃ©, where you at  
Yo Shanny  
(Here, here, here)  
Get on the mic, baby  
(Do I have to?)  
Come on Shanny, you got to  
Got to  
You gotta, Shanny  
Come on  
(Alright, alright)  
Let's go  
Kick it

[ VERSE 2: Roxanne Shanté ]

Now I've been a good girl all year round  
And this is what I want from the people are down  
Now I am mainly speakin 'bout my family and friends  
I want a BMW, a Jaguar, or a Benz (A what?)  
It really doesn't matter the expense of the gift  
Cause bein around I'm such a spiritual uplift  
To think about all year when we're illin  
To get together and just be Cold Chillin' (Yeah, I like that)  
Cause in the past year I made a record with Rick  
(Haa...)  
But now I'm gonna end this like Eartha Kitt  
It may sound cute or it may sound crazy  
But this one's for you, Santa Baby

[ Fly Ty ]

Ooooh...

( \*Shanté in the background\* )

I don't know, hahahaha

Hold up, what that...

Ah, Shan

[ VERSE 3: MC Shan ]

You hear a lotta jingle bells at Christmas time  
But I done decked the halls with a Christmas rhyme  
Santa used to drive a sleigh any Christmas past  
He was chillin when I seen him last  
A Lamborghini with a spoiler kit  
Driver looked like Santa and I said: "Oh, it's..."  
I blamed it on my mind in an altered state  
But chillin up north on a reindeer plate  
Instead of Louis Vuitton or a Gucci vixen  
His ride had pictures of Donner and Blitzen  
To top it off he had a phone and tints  
Instead of threads homes' tires left hook prints  
He came to halt, but he did not screech  
And in the back of my mind somethin said, "Don't reach"  
He said, "Ho, ho, ho... yo Shan," loud and clear  
"I ain't heard a rap from you in a year  
Merry Christmas, here's some beats, there's brew and a broth  
And if you don't rock these, that means you're soft"  
He said, "Shan my man, I got a busy night  
And you'll be straight next year if you rock this right"  
To my surprise when I awoke on Christmas dawn  
I couldn't find my tapes and my lyrics were gone  
But underneath the tree in a red and blue pack  
Was a Cold Chillin'/Warner Bros. contract  
So I'm here tonight to share my cheers

So Merry Christmas and a Happy New Year

(Pump it up, pump it up)

[ Fly Ty ]

Kane be doin it again

Wanna do it again, Kane?

One more time, go 'head

[ VERSE 4: Big Daddy Kane ]

Now once again let your hands applause

With this contribution to Santa Clause

To Frosty, to Rudolph, etcetera, etcetera

Just remember these rhymes we send to ya

'Tis the season to come to reason

With the good spirit we find to be pleasin

Easin, every single form of tension

Also, I'd like to mention

Merry Christmas to Biz Markie (from the Juice Crew,  
y'all)

Kool G Rap, Polo and Craig G

Marley Marl, Glamorous, the list goes on

To Powerful Percy and TJ Swan

As me, Shan and ShantÃ© get the job done

Season's Greetings to everyone

( \*ShantÃ© in the background\* )

[ Fly Ty ]

Hold it Kane, hold it

It's not over

Wait a minute

[ VERSE 5: Fly Ty ]

Now I'm Fly Ty with the Christmas tree

The one who makes the Juice Crew complete

A true professional, I'm not an amateur

So Season's Greetings from a jolly good manager

F-I-y T-y

You can't deny the fliest of the Fly Ty

Cold Chillin' with ShantÃ©, Shan and Kane here

Not in a rush, I leave it to the reindeer

Yeah, it's strange to see me rappin

But for Christmas, who knows what can happen?

So for everybody out there that caught this buzz

Have yourself a merry little Christmas

[ Fly Ty ]

I told you I could do it!

I told you I could do it!

I told you

I told you I could do it!

Yeah

Yeah  
Yeah, my name ain't Russell, Andre, I'm for real  
For real  
We outta here  
We outta here  
Merry Christmas from the Juice Crew  
Cold Chillin' on Warner Bros.
