What's A Girl To Do?

reswick/werfel/muscat/muscat/muscat

you love me with your eyes, you melt me with your  
smile  
and I can't resist you  
you always look so cutem your clothes, your attitude  
and I just wanna kiss you  
but don't get so tense when I hang with my friends  
'cause it's not makin' sense and it's not like you  
what's a girl to do with a boy like you?  
who want's to spend from now until the end of time with  
me?  
I don't wanna fight, I wanna make it right and I want  
you to be happy  
so don't get uptight if I don't call tonight  
'cause I've got a right, boy, to live my life
