All around the water tank  
Leakin' in the rain  
A thousand miles away from home  
Waitin' for a train

I went up to the brakeman  
Asked for a line of talk  
He said If you got money man  
I will see that you don't walk

I haven't got a nickel  
Not a penny can I show  
Get of get off you railroad bum  
And he slammed the boxcar door.

Put me off in Texas  
Place I dearly love  
Wide open spaces around me  
Moon and stars up above

There's no one seem to care me  
Either lend me a helpin' hand  
I'm on my way from Frisco  
I'm goin' back to Dixieland

My pocketbook is empty  
And my heart is full of pain  
A thousand miles away from home  
Waitin' for a train.
