Turns to shades of gray  
Summer makes it move  
You set fire  
How i wish I was by your side  
Tragic sets of circumstances drag me to my fear  
Time, it seems weighted Asphyxiated  
slowly I choke.

Decorated.... Like flesh on a hook  
Paint it black and blue  
Like you always do  
Take your poison  
This sickly flower blooms

Another awful day A change in seasons.  
Drained of meaning.  
But here it says the same.

Decorated.... Like flesh on a hook  
Paint it black and blue  
Like you always do  
This sickly flower blooms
