february
tuesday the twelfth
thirteen days seems so very far away
has it ever occurred to you
i'll recall if you will too

i wanted to tell you
so let me hold you
in my arms tonight
we could be forever
loving you girl
in my arms tonight

friday night
is going oh so well
seems average
and overrated
so uncomplicated
till you strolled over
and put your arms around me

i wanted to tell you
so let me hold you
in my arms tonight
we could be forever
loving you girl
in my arms tonight

tuesday (x2)

please let me hold you
i want to stay
i will be forever
loving you

i wanted to tell you
so let me hold you
in my arms tonight
we could be forever
loving you girl
in my arms tonight

in my arms tonight (x4)
