Boy you sure look good there standing in the doorway
with the sunset light

Maybe I read you wrong thinking you could be my Mr.
Right

I was putting my heart and soul on the line

You said you needed some time, just a little more time

To make up your mind

Well it's been long enough, time is up

Bye bye love

I'll catch you later

Got a lead foot down on my accelerator

And a rear view mirror torn off

Cause I ain't ever looking back

And that's a fact

I've tried all I can imagine

I've begged and pleaded in true lover's fashion

I've got pride

I'm taking it for a ride

Bye bye, bye bye my baby bye bye

Don't think all those tears are going to hold me here
like they've done before

You'll find what's left of us in a cloud of dust on
highway 4

Baby what did you expect me to do

Just sit around and wait on you

Well I'm through watching you just skate around the truth

And know it sounds trite, I've seen the light

Bye bye love

I'll catch you later

Got a lead foot down on my accelerator

And a rear view mirror torn off

Cause I ain't ever looking back

And that's a fact

I've tried all I can imagine

I've begged and pleaded in true lover's fashion

I've got pride

I'm taking it for a ride

Bye bye, bye bye my baby bye bye

I've lost the game I guess

I did my best

To win the part

Now I'm leaving here with what's left of my heart

Bye bye

I'll catch you later

Got a lead foot down on my accelerator

And a rear view mirror torn off

Cause I ain't ever looking back

You can count on that

I've tried all I can imagine

I've begged and pleaded in true lover's fashion

I've got pride

I'm taking it for a ride

Bye bye, bye bye my baby bye bye

Bye bye

Oh baby

Bye bye, bye bye my baby bye bye
