(Joe C)
I'm the J-O-E to the C hoe
Call me me Joe C got more game than calico
I'm a freako call me sick tree foot nine with a ten foot
dick
The ladies pick i'm a crazy hit
And ripped through con like a bug through wire
It's my time so i'm a shine like glass
All this piss but smore his ass
Watch me pass smoke some hash
Ya raking grass while i'm raking cash
Highest voice like Aira Nevell
And i'm down with the devil
(chorus x2 then end)
Say we like to party rock the party
We like to party rock the party
Say you like to party rock the party
You like to party rock the party
