Gangrene Lane  
Gangrene Lane  
Circulate  
It's never straight

Head on! Staying on the Gangrene Lane  
Prepare for the u-turn to take you back to where your  
pain began  
Back to square one, back to where you came from  
Was it your wish to be destined to fail  
The spotlight's too arrow and dim  
The steep downhill lane to oblivion is inevitable and so  
wide  
I'm that hungry one that bites the hand that feeds  
him  
I'm speeding down faster than any other of you, join  
my ride...

Gangrene Lane  
Gangrene Lane  
Circulate  
It's never straight  
Gangrene Lane  
Gangrene Lane  
Circulate  
It's never straight

My destination is at my back, along with my time of  
arrival  
I'm still free falling from the end of the downward  
spiral

Gangrene Lane  
Gangrene Lane  
Circulate, circulate, circulate, circulate  
It's never straight

Gangrene Lane  
Gangrene Lane  
Circulate  
It's never straight

Gangrene Lane  
Gangrene Lane  
Circulate  
It's never straight

Gangrene Lane  
Gangrene Lane  
Circulate  
It's never straight  
Gangrene Lane  
Gangrene Lane  
Circulate  
It's never straight
