I've got a friend  
He's a drugstore cowboy  
A real hero of the glory days' decline  
The ticking time may not be on his side, anymore  
He picks his pride up from the bar room floor

You think you don't fit in with anybody  
And nobody wants anything to do with you  
But we're as one  
The misfits, the dreamers  
Chasing the stars  
We never stand alone

I'm jaded and I can't afford tomorrow  
There's no show on the cashflow  
I'm jaded and I can't afford tomorrow  
I've nothing to fall back on

Chorus:  
Time's never wasted when you're wasted all the time  
All hail now!  
Glory days' decline  
Time's never wasted when you're wasted all the time  
Glory days' decline

Tomorrow's far ahead  
And yesterday is so far behind  
For us who walk the darker side of life  
I'm in my prime and way out of line once again  
And it's shining on me through the night

Chorus:  
Time's never wasted when you're wasted all the time  
All hail now!  
Glory days' decline  
Time's never wasted when you're wasted all the time  
Glory days' decline  
Glory days' decline

Yeah!!
