He wants to be me  
And then another one  
Just wants to see me

And everybody else  
Say that they know me  
Sometimes the bottom line  
Tries to control me

I can't help you  
I can't save you  
I can't be your one and only friend

Someone who wants to hang  
Tries to inflate me  
When I don't go along  
She wants to hate me  
And when I give a smile  
They want to take me  
So I try to give  
Some of the fake me

I can't help you  
I can't save you  
I can't be your one and only friend

And when it's said and done  
I want to leave it  
But I can't seem get  
Me to believe it  
I want to help you out  
But I ain't got it  
You should have checked the price  
Before you bought it

I can't help you  
I can't save you  
I can't even seem to save myself

I can't help you  
I can't save you

I can't be your one and only friend
