Light from a window Cold dark and black Sound from a dream I was hypnotized I was paralyzed I could hardly speak

And baby
Baby
You never realized
That
I could have stood there lost in your eyes
Stood there waiting
And not realized
Love isn't easy
It isn't always kind
I could have stood there
Lost in your eyes

Guess I understand it
Guess I sort of have to
Guess I kind of see
Just because it could have been
Doesnt't mean it had to
Ever mean a thing

And baby
Baby
I could say it all the time
That
I could have stood there lost in your eyes
Stood there waiting
And not realized
Love isn't easy
It isn't always kind
I could have stood there
Lost in your eyes

And you know sometimes I wonder Yes I wonder I really really do Ya yes I do Just because it helps me Though sometimes it scares me Guess you wouldn't know No you wouldn't know

Guess I understand it
Guess I sort of have to
Guess I kind of see
Just because it could have been
Doesnt't mean it had to
Ever mean a thing

And baby
Baby
You never realized
I could have stood there lost in your eyes
Stood there waiting
And never realized
Love isn't easy
It isn't always kind
I could have stood there
Lost in your eyes
You know
I could have stood there

Ya ya ya ya
Lost in your eyes
Y?..to fade......
