"What Is It For?"

Helpless, he was helpless since the day that he was
born
So low, he bent so low
His tongue scrapped on the floor.

What is it for?
What is it for?
Darling, if your heart's not broken, what is it for?

Hopeless, she was hopelessly, believing with her head.
Goodbye, she said farewell and then she took herself
to bed.

What is it for?
What is it for?
Darling, if your heart ain't broken, what is it for?

What is it for?
What is it for?
Tell me, of your heart's not broken, what is it for?
oh... what is it for?
what is it for?
what is it for, tell me, if your heart's not open what is it
for?
