### "Drink Deep From the Well"

Have we lost our words  
for this feeling?  
Have we lost our wings  
while flying?

Did we see the days  
fade away like rain?  
Did we see the sun  
let down everyone?

Lover! Come here!  
Let me whisper  
a secret in your ear:

Oh! We could start here:  
Drink deep from the well  
and immerse our hearts in fire!  
And sing new songs together  
for our Lord

Drink deep from the well  
and immerse our hearts in fire!  
And sing new songs together  
for our Lord

Drink deep from the well  
and immerse our hearts in fire!  
And sing new songs together  
for our Lord
