### "Rage. Silence. Love"

The rage burned like a fire in Achilles  
and when it burns in me  
I beg you please  
don't be afraid  
of my rage  
my love

The silence muted Abraham, the true  
and when it mutes me too  
I beg, I beg you  
don't be confused  
by my silence  
my love

Darkblue skies  
can swallow a man completely  
so he does  
what he doesn't want to do  
but in rage  
and in silence  
you complete me  
my love

Darkblue skies  
can swallow a man completely  
so he does  
what he doesn't want to do  
but in rage  
and in silence  
you complete me  
my love
