What have you got when you take a bop
What have you got when you take a rock
Put 'em all together and look what you get
Nothing but the boppin' rock

Dancin' and a-jumpin' to the boppin' rock boogie
Rockin' and a-rollin' to the boppin' rock boogie
Jumpin' and a-jivin' to the boppin' rock boogie
Slippin' and a-slidin' to the boppin' rock boogie
Let's bop, let's rock
To the boppin' rock boogie beat

Well, the boppin' rock makes you wanna jive
To feel the boppin' rock you gotta be alive
You can even do it if you're five by five
You know cats, that's the boppin' rock

Dancin' and a-jumpin' to the boppin' rock boogie
Rockin' and a-rollin' to the boppin' rock boogie
Jumpin' and a-jivin' to the boppin' rock boogie
Slippin' and a-slidin' to the boppin' rock boogie
Let's bop, let's rock
To the boppin' rock boogie beat
(Go now!)

Well, the boppin' rock makes you wanna jive
To feel the boppin' rock you gotta be alive
You can even do it if you're five by five
You know cats, that's the boppin' rock

Dancin' and a-jumpin' to the boppin' rock boogie
Rockin' and a-rollin' to the boppin' rock boogie
Jumpin' and a-jivin' to the boppin' rock boogie
Slippin' and a-slidin' to the boppin' rock boogie
Let's bop, let's rock
To the boppin' rock boogie beat
