"Let Go"

I know you
Sun so bright, sky so blue
Your eyes like pearls, and it's true
I know it don't always show but I really do love you

I wanna just let go to a place where everything feels
perfect
I wanna just let go to a place where everything feels
worth it
I wanna learn to fly, I wanna live and die where I feel
known
So, I need to breathe and just let go

I tried to
Show my love to you
And I'm glad you didn't walk out that door
But you gave me wings so we could soar together

I wanna just let go to a place where everything feels
perfect
I wanna just let go to a place where everything feels
worth it
I wanna learn to fly, I wanna live and die where I feel
known
So, I need to breathe and just let go
