I read directions  
I read the signs  
For my protection  
I would resign

All around the island  
I can see the crowd  
Back into the middle  
I could think out loud to myself

Chasing rainbow colors  
Try to learn my name  
I was never good at this game

No remedy, I'm not so bad  
No comedy, I'm feeling bad  
No felony but I've been had

I dropped a package  
Began to shake  
Nowhere to hide  
From the rattlesnake

Deep inside the island  
Wrapped in cellophane  
Trying to be normal  
But I can't stand the pain in myself

Chasing rainbow colors  
Try to learn my name  
I was never good at this game

No remedy, I'm not so bad  
No comedy, I'm feeling bad  
No felony but I've been had

I don't know any monsters, no conspiracy  
Even with the surface feeling slippery  
And I think that I know you  
At least to some degree in myself

Chasing rainbow colors

Try to learn my name  
I was never good at this game
