Your first mistake was to think you could fuck with the  
ranch  
Here I come, here I come, with my dick in my hand  
Do you think you'd like to have a blockbuster up your  
ass  
Do you think you'd like that, well do ya motherfucker  
Do ya, motherfucker  
Do ya  
We'll smash your eggs and then your head and we'll  
nab your kids  
Take 'em outback on the deck and barbeque their ribs  
Throw their heads into your ivy, water them with piss  
Do you think you'd like that, well do ya motherfucker  
Do ya, motherfucker  
Do ya  
Your first mistake was to think you could fuck with the  
ranch  
Here I come, here I come, with my dick in my hand  
Do you think you'd like to have a blockbuster up your  
ass  
Do you think you'd like that, well do ya motherfucker  
Do ya, motherfucker  
Do ya, motherfucker  
Do ya, motherfucker  
Do ya
