That woman's crazy, she's the mistress of a man who's  
crazy too  
That woman's carryin'  
Then comes Dudley  
Dudley's gonna do us all a favor and tear 'em both a  
new asshole  
Dudley feels the time has come to swell his balloon  
Dudley feels the time has come to clean this womb  
(wound)  
That's right Dudley, yeah  
If it had a face I won't (wanna) eat it, he said  
If it had a face I won't eat it, he said  
Power of the pink he said (piggy's head)  
Power of the pink he said  
That woman's crazy, she's themistress of a man who's  
crazy too  
That woman's carryin'  
If it had a face I won't eat it, he said  
If it had a face I won't eat it, he said  
Power of the pink he said  
Power of the pink he said  
Power of the pink he said  
Power of the pink he said
