It's been six weeks since I bled through my hole  
Eating for two and I'm still never full  
Throw up everyday in the toilet bowl  
All because my boyfriend didn't pull out his pole

Well, her figure just keeps getting bigger  
Bigger everyday  
And I think maybe we gotta kill that baby  
Before it gets in the away

We weren't cautious  
Now I feel nauseas, nauseas everyday  
I think maybe we should kill that baby  
Before it gets in the way

I can hear him crying even though he's not born  
Yes, we should have stuck to masturbating with porn  
Have no health insurance 'cause I'm working part-time  
Gotta kill this baby before it's a crime

Well, I'm no cynic  
Gotta drive to the clinic  
Spend all the money I've made  
I think maybe that killing this baby  
Is the best choice we ever made  
Is the best choice we ever made
