i like doing stuff with you
i like all the stuff we do
i like doing stuff with you
do you like doing stuff with me too?

i like all the stuff you are
i like playing the guitar
i like being superstars
do you want to be a superstar?

lalalalalalalala...
dodododo

what should it be
what should it be
what should it be
what should it be

i like hanging at your place
i like staring at your face
i like erasing your mistakes
do you like eating at that burger place?

lalalalalalalalala...
dodododo
