We make the motorboat crash  
We make the motorboat crash  
It make a very big splash that day when  
We make the motorboat crash

Now I'm stranded with nothing to do  
Close my eyes when I talk to you  
I'm aware there are spiders in my hair  
This is the worst day of my life

Oh, why did  
We make the motorboat crash  
We make the motorboat crash  
It make a very big splash that day when  
We make the motorboat crash

Sick of apples and I'm sick of you  
There's no soap and you don't even notice  
There is spiders in my shoe too  
This is the worst day of my life

Oh, why did  
We make the motorboat crash  
We make the motorboat crash  
It make a very big splash that day when  
We make the motorboat crash
