Oh yeah he's my boy  
Oh yeah I'm his toy  
Oh yeah he's my boy  
Oh yeah  
Gonna love him 'til the sun blows up  
That's how long he's gonna be my boy  
And my heart will palpitate when we go on a date  
And my friends all say "we should go all the way"  
Oh yeah hes my boy  
Oh yeah I'm his toy  
Oh yeah he's my boy  
He's gonna call me on the telephone I'm waiting here in  
my room  
And when he tells me that I'm his girl well be together  
real soon  
Gonna love him 'til the sun blows  
Thats how long hes gonna be my boy  
And my heart will palpitate when we go on a date  
And my friends all say "we should go all the way"  
Oh yeah hes my boy  
Oh yeah I'm his toy  
Oh yeah hes my boy  
Mom says that I am too young to feel this way  
Too young to know what is real  
To him I will be true and true I'll stay  
I only know what I feel  
Gonna love him til the sun blows up  
That's how long he's gonna be my boy  
And my heart will skip a beat when we walk down the  
street  
And my friends all scream that HES A DREAM  
Oh yeah hes my boy  
Oh yeah im his toy  
Oh yeah hes my boy  
Gonna love him til the sun blows up
