Your bike is made of aluminum,
I know it is cause I lived in it,
The first time we ever spoke,
You bragged about the folks you know,
And i know that in this town,
There's alot of that that goes around,
Ride the tails of a superstar,
Cause people know who you are,

(Chorus)

I know that you are friends,
with all of the right bands,
I dont care if you know,
everyone is sellin out,
I dont care about the stuff,
I've heard you talk,
And I've heard enough,
Blow out the candles on your birthday cake,
And wish yourself away,
From me.

Push the pen for your press release,
Past the point of impressing me,
Extra effort to be the best,
Now generate false interest,
Pitch fork prince the latest trend,
The horse you bet is coming in,
Ride the tails of a superstar,
Cause people know who you are,

(Chorus)

I know that you are friends,
with all of the right bands,
I dont know you at all,
But i know you'll tour in the fall,
I dont care about the stuff,
I've heard you talk,
And I've heard enough,
Blow out the candles on your birthday cake,
And wish yourself away,
From me.

I dont care about the stuff,
I've heard you talk,
And I've heard enough,
Blow out the candles on your birthday cake,
And wish yourself away,
From me.
