i used to think that you were an asshole
and i guess i still do
now i think that i'm a bigger asshole than you

you're so selfish 'cause you always think about yourself
i do that too
isn't it funny how the lights, camera, action changes
the way you talk to me

dodododododo..

i'm drinking out of paper cups
i'm drinking out of paper cups
i'm drinking, i'm drinking, i'm drinking out of paper
cups

my attention only holds four seconds
don't hold my hand
if we decided to be more than friends
things would really turn to shit

dodododododo...

i'm drinking out of paper cups
i'm drinking out of paper cups
i'm drinking, i'm drinking, i'm drinking out of paper
cups

dodododododo...
