So you wanna have sex, no strings attached  
I can't think of a better match  
Talk about me behind my back  
I wouldn't take any other bag

You're so cute when you ignore me  
You're so cute when you ignore me  
I don't know why you defer me  
You're so cute when you ignore me

Think it's so sweet when I call you on the phone  
And you pretend that you aren't at home  
I give me a metaphoric phone  
I don't know when to leave you alone

You're so cute when you ignore me  
You're so cute when you ignore me  
I don't know why you defer me  
You're so cute when you ignore me

So you wanna have sex, no strings attached  
I can't think of a better match  
Talk about me behind my back  
I wouldn't take any other bag

You're so cute when you ignore me  
You're so cute when you ignore me  
I don't know why you defer me  
You're so cute when you ignore me

You're so cute when you ignore me  
You're so cute when you ignore me  
I don't know why you defer me  
You're so cute when you ignore me
