There Will be Love

When your hope has gone,
Peace denied you for far too long,
And everything is going wrong,
Know there will be love.

Through the trying times,
Feeling frozen and half alive
YouÃ¢f'Ã, 've got something left inside,
Yeah there will be love.

CHORUS

There will be loveÃ¢f'Ã, â€!
Yeah, there will be love

When you start to fade,
Weary, feeling the whole worldÃ¢f'Ã, 's weight,
And its hard to find the faith
Know there will be love.

When your light has died,
And fear hangs heavy like a fog outside,
In the terrorÃ¢f'Ã, 's fatal time,
Yeah there will be love

CHORUS

BRIDGE

Let love keep you strong
In the singing of the song

Let the kingdom come
Soul through soul rising like the sun
In the presence of the One
Yeah there will be love

CHORUS

Always will be love
Yeah, there will be love
