Touch

Darlin' why don't you see
You're the only one for me
Gotta know I really want to
Be the only one to Touch You

Do I make a difference in your day
I live to see you, touch you, in the baddest way
Do I make a difference in your life
You want to keep it casual
You don't know how hard I've tried

My love grows stronger for you every day
Believe me this is no game Oh!

CHORUS

Darlin' why don't you see
You're the only one for me
Do you gotta keep me in this mystery
Baby, Must you, must you
Gotta know I really want to
Be the only one to Touch You
Oh baby to Touch You

So you tell me take it easy, you say, take it slow
Well how much time will it take
How long before you know
I ain't keeping any secrets, I won't tell no lies
It's just pure magic baby, your Touch electrifies

Those other guys you know just don't compare
You won't be sorry, I swear. Oh!

CHORUS

Every morning, every night I pray
In my arms you will forever stay

Those other guys you know just don't compare
You won't be sorry I swear, I swear, I swear, I

swearÃƒf'Ãƒ,â€™!Oh
