"Until It's All Right"

Until ItÃƒ'Ã,'s Alright

I see youÃƒ'Ã,'re having problems
ItÃƒ'Ã,'s written all over your face
Can I help you solve them?
This is something silence wonÃƒ'Ã,'t erase

You know whatever happens to you
Count on me to help see you through
IÃƒ'Ã,'m always gonna be there, for you

CHORUS
Until itÃƒ'Ã,'s alright, girl until its alright
AinÃƒ'Ã,'t nothing gonna keep me from your side, girl
Until its alright.

Baby, yeah youÃƒ'Ã,'re such a sweet thing
And I know how much you hate to cry
DonÃƒ'Ã,'t tell me that its nothing
You donÃƒ'Ã,'t have to keep it all inside

When this world gets too big for you
There is nothing I wouldnÃƒ'Ã,'t do
IÃƒ'Ã,'m always gonna be there for you

CHORUS

Time will never change
The way I feel today
And IÃƒ'Ã,'ll be hanging on
Until the pain is gone

CHORUS
