"Fire In The Hole"

I hear the music and it hurts my head bad now
If you don't like it you can play your own hand now
It's not the music though, it's not a movement, it's a
theory and now i'm gonna prove it
It's not politics i'm trying to annihilate
It's not the records that i'm trying to communicate
It's not the music though, it's not a movement, it's a
theory and now i'm gonna prove it
FIRE IN THE HOLE-you better come clean
FIRE IN THE HOLE-in the city we sleep
FIRE IN THE HOLE-big brother beware
FIRE IN THE HOLE-all systems unfair
