Red light in the district tonight  
I'm drying out I know I'm only half alive  
Break free from the anger that's inside of me  
Two sheets to the wind  
I'm hung to dry  
Coming clean  
Break down in the city on the streets tonight  
Crack down  
Living but it don't feel right  
No sleep for the wicked  
No rest for the wild tonight we're runnin' with the devil  
We're out of rope & our of line and we're so lonely  
tonight  
White lights in the skies tonight  
How crooked are the corners when two wrongs won't  
make a right?  
Outcast from the agner that's inside of me  
Heaven sent  
Hell bent whiskey town stellite  
And we're so lonely tonight  
We let it all hang out tonight  
We're gonna lose control this time we live 'till we die  
We're restless and we're restless  
And we're so lonely tonight  
Take back the night
