How did you know 'cause I never told
You found out, I've got a crush on you
No more charades, my hearts been displayed
You found out, I've got a crush on you

You must have heard it from my best friend
Shes always talkin' when she should be listenin'
Can't keep a secret to save her life
But still I trusted her with all I felt inside

I never knew, a rumor could spread so fast
'Cause now the word is out all over town
That I'm longing for you

How did you know 'cause I never told
You found out, I've got a crush on you
No more charades, my hearts been displayed
You found out, I've got a crush on you

Maybe I was the one who left the trace
Was there a message written on my face
One little emotion so easily read
That you would know my love before a word was said

Was it my eyes that let you know you had control?
Because the way you move it was so self-assured
You knew I would surrender

How did you know 'cause I never told
You found out, I've got a crush on you
No more charades, my hearts been displayed
You found out, I've got a crush on you

How did you know 'cause I never told
You found out, I've got a crush on you
No more charades, my hearts been displayed
You found out, I've got a crush on you

You found out, I've got a crush on you
You found out, I've got a crush on you
You found out, I've got a crush on you
You found out, I've got a crush on you

You found out, I've got a crush on you

Crush on you

Crush on you

Crush on you

Crush on you
